OBJECTIVE

Highly motivated software engineer eager to leverage extensive data analysis skills and technical proficiency in SQL, Tableau, and Snowflake acquired at the National Association of Insurance Commissioners (NAIC) to contribute effectively to software development projects. Committed to utilizing business management acumen and project support expertise to drive innovation and achieve organizational objectives.

TECHNICAL SKILLS

- Programming: HTML, CSS, JavaScript, SQL, MERN Stack
- Tools: Excel, Tableau, Jira, Snowflake, PostgreSQL, VS Code, Git workflow
- Languages: Fluent in Spanish and English

WORK EXPERIENCE

BA/QA Project Support Intern

Sep 2023 – Present

National Association of Insurance Commissioners (NAIC)

- Conduct data analysis using Excel, SQL, and Tableau for data-driven decision-making processes
- Translate official documents to Spanish to facilitate communication with Spanish-speaking stakeholders
- Manage invoices, audits, and metric report generation for consultant teams, ensuring accuracy and compliance
- Provide support to OPTins by conducting audits and quality assurance of PDF file ingestion
- Maintain contact lists for monthly industry and state meetings, facilitating seamless communication and collaboration
- Perform QA testing of SQL queries in Snowflake to ensure data integrity and system functionality

CERTIFICATIONS

- Tableau A-Z Hands-On Tableau Training for Data Science (Udemy)
- Generative AI for Leaders & Business Professionals (Udemy)

EDUCATION

- Full Stack Software Development Bootcamp, University of Kansas (2022 - 2023)
- Associate's Degree in Business Management, Eastern Gateway Community College (2019 - 2022)
- National School of Art, Classical Ballet (1999 - 2003)

PREVIOUS EXPERIENCE

- Dancer/Professor, Kansas City Ballet (2017 - 2023)
- Dancer, Bay Area Houston Ballet & Theater (2015 - 2017)
- Instructor, Feijoo Ballet School (2016 - 2017)
- Dancer, Cultural Center of Mazatlán, Mexico (2014 - 2015)
- Dancer, National Ballet of Cuba (2003 - 2014)

TRANSFERABLE SKILLS FROM A BALLET CAREER

- Strong discipline and time management honed through years of rigorous training and performance schedules
- Excellent teamwork and ability to perform under pressure in high-stakes environments
- Teaching and coaching experience working with diverse groups of students, demonstrating effective communication and leadership abilities
